

TAPGO — AUTOMATED SALES & CONTRACT SYSTEM

Executive Summary (Final Version)

1. OBJECTIVE

Build a **fully automated web-based sales and onboarding system** that allows restaurant owners to:

- configure their TapGo system (kiosks + POS)
- instantly view pricing
- validate a **36-month contract**
- pay required hardware (one-time) via Stripe
- complete onboarding without sales intervention

 Goal:

Reduce manual sales work and enable direct online conversion

2. CORE BUSINESS MODEL

Monthly (contractual)

- **Kiosk:** 99 CHF / month per unit
- **POS system:** 49 CHF / month (mandatory, fixed, 1 per client)
- **SLA Premium (optional):** +9 CHF / month

 Formula:

Monthly total = (Kiosks × 99 CHF) + 49 CHF + SLA

One-time payments (Stripe)

Not included in contract:

Payment terminals (myPOS)

- Automatically calculated
 **Terminals = Number of kiosks + 1**
- Paid immediately via Stripe

- Ordered by TAPGO after payment

Ethernet installation

- Optional
👉 **300 CHF (one-time)**
OR
👉 Customer installs themselves

3. USER FLOW

1. Landing page (CTA: “Configure my system”)
2. Configuration wizard
3. Result page (monthly pricing)
4. Order page (customer info + SLA)
5. Contract validation
6. Stripe payment (one-time items)
7. Confirmation

4. CONFIGURATION (SIMPLIFIED)

User selects ONLY:

- Number of kiosks
- Kiosk type (standing / wall / tabletop)

System automatically adds:

- 1 POS system (49 CHF/month)
- Required myPOS terminals (kiosks + 1)

5. RESULT PAGE

Shows:

- Selected kiosks
- POS included

👉 **Monthly price only (clean display)**

Example:

2 kiosks →

$(2 \times 99) + 49 = \mathbf{247 \text{ CHF / month}}$

CTA:

👉 “Proceed to order”

 6. ORDER PAGE

Collect:

- Company information
- Contact person
- Addresses

SLA selection:

☒ **Standard (default)**

- Mon–Fri, 10:00–19:00
- Response within 24h
- On-site: **200 CHF per visit**
- No guarantee

👉 Price: Included

☐ **Premium (+9 CHF/month)**

- 7/7, 08:00–24:00
- Priority remote support
- On-site included
- ☒ **Intervention guaranteed within 24h**

Order Summary:**Monthly:**

- Kiosks
- POS (49 CHF)
- SLA

One-time:

- myPOS terminals
- Ethernet (if selected)

 7. CONTRACT**Includes ONLY:**

- Kiosks
- POS
- SLA
- Monthly pricing
- Duration: **36 months**

Excludes:

- myPOS terminals
- Ethernet installation

Required validation:

- ☒ Accept 36-month commitment
- ☒ Accept Terms & Conditions

Optional:

- Digital signature (recommended for scale)

8. STRIPE PAYMENT

After contract validation:

User pays:

- myPOS terminals (auto-calculated)
- Ethernet installation (optional)

After payment:

- Confirmation email
- Internal notification
- Status: ready for hardware ordering

9. ADMIN / BACK OFFICE

System sends:

- Contract (PDF)
- Customer data
- Payment confirmation
- Hardware requirements

TAPGO then:

- Orders myPOS terminals
- Plans installation
- Configures system

10. UX PRINCIPLES

- Mobile-first
- Fast (under 3 minutes)

- Minimal decisions
- Clear pricing separation:
 - Monthly vs One-time
- No unnecessary inputs

11. KEY BUSINESS LOGIC

- POS is mandatory → no choice
- Terminals are automatic → no errors
- SLA drives upsell → increases MRR
- One-time payments generate immediate cash

🔲 FINAL RESULT

This system enables:

- automated sales
- standardized onboarding
- recurring revenue growth
- reduced operational workload

STRATEGIC OUTCOME

👉 You are no longer selling manually

👉 You are building:

A scalable sales machine combining:

- subscription revenue (MRR)
- one-time cash flow
- automated contracts
- structured support
